

**MARCH 2010**

## Music Education & Appreciation Month

*At MiND, we are passionate about the arts. That's why we're dedicating the month of March to a special sector of the arts – music! We have a full month of great Music Education & Appreciation programming lined up, and we want to include you.*

### 3 Ways to Participate!

#### Submit!

Every day, MiND airs member-submitted 5-minute programs on MiND TV Channel 35.1. And each month in 2010, we are featuring a special hour of 11, 5-minute member programs focused on the topic of the month. Submit today for March!

Everyone can get involved. Perhaps you collect unique instruments, know someone in a choir, or are in a band that creates original songs – share your stories and music with us! Be sure all programs contain **a learning component**, are **non-commercial**, and are **exactly 5-minutes long**.
