

Member Equipment Rental Program

Get Involved!

MiND is more than just an innovative TV outlet; it's a community resource that provides members with the training and equipment to successfully produce 5 minute programs. One of the many benefits of being a MiND member is access to our equipment rental program. Whether you need a camera to shoot your piece or a place to edit, MiND is here to help.

Camera Rental Package

- Canon Optura 60 Mini-DV Camcorder
- Manfrotto Video Tripod and Bag
- Hand-Held Microphone and Windscreen
- Lavalier Microphone
- Headphones
- Extension Cord
- XLR Cable
- Fire wire Cable

Availability

Only members who have attended a Boot Camp are eligible to rent the camera package. Members are welcome to rent the camera package for the week or weekend at a rate of \$100. One week's notice is required when making reservations.

Week: Monday 1 PM to Friday 11 AM

Weekend: Friday 1 PM to Monday 11 AM

Editing Assistance Programs

Learn how to edit on a Mac computer using Final Cut Express! You can bring video you have already shot and spend the day with a MiND instructor to learn the basics of Final Cut Express or just rent our editing suite for the day!

Come & Learn!

Learn basic editing with Apple's Final Cut Express, an exciting and powerful non-linear editing program that combines professional capability with consumer-level accessibility. Build a strong foundation that gets you started with logging, capturing, editing, transitions and much more. Sit with a MiND instructor and begin to edit your own project! Cost per session with a MiND instructor: \$200.

Rent our editing system!

Already have the skills but need a place to edit? You can rent our editing system for \$50 a day.

Availability

The editing suite is available by appointment only, Monday thru Friday 9 AM to 5 PM. You must bring your own external hard drive.
